Hi Minh Anh,

How are you? How was your holiday in Dalat? It seems like a long time since we saw each other on the last day of school. It's nice to have some time off because when we get back to school we will have a math test during the first week.

I'm sending this email from London. We arrived here last Wednesday. Our trip started from Hanoi and we had a ten-hour wait in Dubai. It was really boring because we couldn't leave the airport.

We have visited many tourist attractions including Buckingham Palace, where the Queen lives, and we fed pigeons at Trafalgar Square. London is an interesting city and the people are very friendly.

Yesterday we took a boat trip along the river Thames – it was great fun. We even had our lunch in the restaurant on the boat. It was delicious but very expensive.

I can't wait to meet up with you when I get home next week!

See you next week,

Ngoc Mai
